Roko Sand

The *Roko Sand* range combines an appealing design inspired by nature's raw elegance and rustic characteristics to create a versatile tableware collection.

Every piece is crafted with attention to detail, blending organic textures, distinguished patterns, and dynamic shapes, offering an exclusive choice that suits varied interiors and architectures.

The irregular glaze of our collection is a poetic echo of the windswept waves and the sandy embrace of the beach along the Black Sea.

New Style of Terra Vitrified Porcelain Glaze

Embrace the beauty of Terra Vitrified Porcelain, a one-of-a-kind range with a distinctive glaze formula and colour intensity that vary from piece-to-piece.

Unlike the other Terra Vitrified Porcelain colours, this new, unique design incorporates two textured, glazed tones to produce an elegant dish.

Pearl

A harmonious blend of soft whites, greens, and blues comes together in a shimmering & shining palette that mirrors the luminescence of these precious gems.

Each piece in this *Pearl* collection is expertly manufactured from fully vitrified porcelain, a solid and durable material ideal for the fast-paced environment. The added benefit of rolled edges ensures excellent chip resistance, and the polished foot reduces damage when stacked and stored away.

Every piece from the *Pearl* collection is crafted to enhance the visual appeal of various cuisines, making it a versatile and elegant choice for hotels, restaurants and cafés.

Unique Brightness

Elegant White Translucency

Aqua Blue

The *Aqua Blue* Terra Vitrified Porcelain collection stands out for its captivating and undefined beauty. The variations in colour intensity from piece to piece contribute to the collection's truly distinctive aesthetic.

Each item is equipped with a polished foot to facilitate easy handling and storage, reducing the risk of damage when stacked and stored. Additionally, the stackable design enhances practicality and space efficiency, making this collection a practical choice for various settings.

These plates are crafted for durability in demanding use, making them ideal for hotels, restaurants, and food service applications.

Contrasting Glazes

Features a stunning colour contrast between a matt white base and reactive aqua blue glazes, blending visual appeal with functionality.

Embrace the beauty of diversity with Terra Vitrified Porcelain, a one-of-a-kind range with a distinctive glaze formula and colour intensity that vary from piece-to-piece.
